PURPOSE OF THIS FORM

It is necessary to fill out this form completely, as the information contained herein will assist us to process your escrow more accurately and avoid timely delays. The growing population of California has greatly affected the processing of real estate transactions, in that there are many people with names that are the same or similar to your own. When the Title Company searches the title of the property in this escrow, they want to make sure that there are no judgements, bankruptcies, income tax liens or any other situation that may affect you or the property. The information on this form allows them to reject all matters that do not affect you.
